Hot Mix Plant

Drum Hot Mix Plant

**Product Features**

- High efficiency plants
- Flexible moving asphalt plant
- Convenient maintenance plant
- High performance & User-friendly Hot Mix Plant
- Easy installation
- Sturdy construction
- Time and labor saving
- Excellent mixing performance
- Perfect after service

## Hot Mix Plant

<b>Technical Specification</b>	
Exhaust drive motor	7.5,10,20 HP
Fuel tank capacity	1500,2000 Litres
Bitumen Gearbox	Heavy duty worm gear
Exhaust drive motor	7.5,10,20 HP
Auxiliary conv. Gearbox	SMSR
GOH Hoper capacity	500,650 Kg
Gathering drive motor	5 HP
Conveyor Belt	500 mm width
Storage capacity	20,31,41tn
Bitumen drive motor	3,5 HP
Hyd. Power pack	2 HP
No. of Bin	2,3,4
<b>Standard Attachments</b>	
Four Bin Feeder Slinger conveyor Vibrating screen Thermo drum unit Load out conveyor with GOB Hopper Fuel tank/LDO Tank Bitumen tank Cabin with panel board Filler Unit	
<b>Application Areas</b>	
Road Construction Machinery Construction Equipment Construction Industry	
 <b>SHITLA ROAD EQUIPMENT</b> Plot No-359, GIDC, Phase-II, Dediyanan Behind Sarvodaya Bank, Mehsana - 384002, Gujarat, India <a href="http://www.wetmixplants.com">http://www.wetmixplants.com</a>
